

Of all the annual reports
featured in the global
300 list of 2010,
only 3 were from India.

An annual report can easily
be termed a routine practice.

Still there are companies
around the world which lay
emphasis on designing
conceptually and narratively
strong annual reports, deploying
global best practices.

Wonder why?

Join us as we take you
through some of the
world's best rated annual
reports and best AR practices.
